**IN CONSIDERATION OF THE GRANTING OF THIS APPLICATION, THE UNDERSIGNED AGREES:**

1. That I understand this application is either (i) for the purpose of ordering a water meter for the said location and is not an application to install said water meter OR (ii) to apply for a fire line connection without a meter for the said location and it is not authorization to make said fire line connection.
  - a. For main extension projects, connections to the main cannot be made prior to the Permit to Operate issuance.
  - b. For service only projects/connections, connections to the main cannot be made prior to plans approval, payment of tap fees, and completion of the preconstruction meeting.
  - c. All fire line connections are required to have a Reduced Pressure Zone assembly (RPZ) installed on the service connection for backflow prevention.
2. That I understand this application is for ordering water meters 2” and larger with long lead times on orders.
3. That I understand it is the developer’s responsibility to apply for the meters in advance of project approval and that BCWS is not responsible for delays in projects where larger meters are not ordered in advance.
4. That the invoice generated from this application is only accurate for 30 days from the date of the invoice due to fluctuation in market prices and if the payment is remitted after 30 days, additional charges may apply and be paid prior to ordering the water meter requested in this application.
